

**NEWSLETTER FOR ST BRENDAN, HARWOOD, ST COLUMBA, TONGE MOOR  
& ST JOHN THE EVANGELIST, BROMLEY CROSS**

**25TH SEPTEMBER 2016 – TWENTY-SIXTH SUNDAY OF ORDINARY TIME**

Following on from last week (“You cannot be the slave of both God and money”) we see a practical illustration of what this means. The division between rich and poor was very striking at the time of Jesus: popular understanding, however, said that to be rich was a blessing from God. Jesus reminds people that riches carry their own responsibility – the duty to notice the poor man, especially when he lies at your own gate. In this parable, Jesus is subtly attacking the people’s lack of acceptance of the teaching of the prophets – “They have Moses and the prophets...”, but they obviously haven’t listened to them. The twist in the last line is powerful: “...they will not be convinced even if someone should rise from the dead.” Since our world still sees a division between rich and poor, how true those words have become!

### SVP News

**Destitution Project Collection:** Besides the food and clothing items, there is a request for bedding, rucksacks, bars of soap, toothpaste and toilet rolls. If anyone also has any carrier bags lying around, these are also really useful. *Thank you*

### Think Vocation

"You must aim to be saintly and religious, filled with faith and love." The standards asked by the Church these days of applicants to the priesthood are very high. This is fitting because it is a great privilege to be ordained and to minister as a priest. However Our Lord Jesus can sanctify an ordinary man he has called and chosen for priesthood and fill him with the graces needed

### Marriage Matters ([www.twoinoneflesh.org](http://www.twoinoneflesh.org))

**Beware of complacency and compensating:** Today we are warned about being complacent. Too often, we think everything is fine in our lives and then we realise we've drifted apart and feel isolated from our spouse; the atmosphere is strained; it is lonely in bed. The danger is to compensate with activities outside our marriage instead of sitting down, holding hands and getting back together again.

## **Lourdes 2016**

### **Merciful like the Father**

As first time pilgrims we were asked to give our impressions of the six days we spent in Lourdes with the Salford Diocesan Pilgrimage. We were not sure what to expect and what would be expected of us.

As we arrived we were given a comprehensive timetable of the events organised for us and where they were taking place. The organisational work that must have gone into that on behalf of the Diocese was truly remarkable.

Each day we had Mass on a different theme. Each Mass was very simple but all the more spiritual for that. Each Mass had a different celebrant starting with Bishop Terence (Bishop John was in Krakow until our third day). Each homily given by a different priest on a different aspect of our religion. The singing led by the Choir was fantastic on every occasion.

We each of us have different highlights of the week but we have agreed on just three. There were many more.

- The Mass with the anointing of the sick. In itself the proceedings were quite moving but the sight of 200 young volunteers in Salford Diocese Blue Tee Shirts standing round the basilica holding hands during the blessing was unforgettable. It was very moving to see all the sick and disabled adults and children and the care given to them by the young people.
- The Service of Reconciliation was something special.
- How can one not include the torchlight procession? It hit home to us to be part of several thousand taking part and the Rosary said in all those languages. The most touching aspect of all was when a tiny group of pilgrims came through the throng in the almost full Rosary Square carrying the Iraqi national flag. They carried their banner to the front and were given pride of place behind the statue of Our Lady.

We realised that there was a huge advantage in being part of an organised pilgrimage and part of a smaller group of pilgrims from our own parish. Apart from the obvious advantage of being guided round Lourdes to the different venues there was also the very enjoyable experience of having a nightcap back at the hotel and exchanging stories and experiences at the end of the day.

We were delighted when Bishop John joined us to lead the pilgrimage for the last three days and seeing him spend so much time meeting all of us pilgrims.

All in all a very fulfilling and spiritual first experience of an organised pilgrimage.
