

Humble behaviour is the mark of the Christian, as it always was the mark of someone “in favour with the Lord.” In the Gospel, we see Jesus watching the Pharisees: it’s almost amusing to picture them shuffling for the best places, the polite “After you!” to put themselves in a better position. How would they have reacted to his teaching? They may well have remembered the passage we read from the Old Testament, and realised that Jesus was teaching the teachers something they should be well aware of.

Marriage Matters

Raised by our love: We live in a world where self-promotion is at the heart of many superficial relationships. But ours is a New Covenant of love - Jesus refers to this in the Gospel. In this unique relationship we seek to encourage and raise each other higher. When we fail, as inevitably we do, He calls us to ask forgiveness of each other.

Think Vocation

“Behave humbly and then you will find favour with the Lord.” The Lord can work with us most readily and easily when we are most disposed to the work of the Holy Spirit. When we know that we depend for everything in our lives upon God then we are being truly humble. Let us pray for the gift of humility upon those in positions of authority within the Church.

Global Healing

Pope Francis has established 1 September as the World Day of Prayer for the Care of Creation, encouraging the Catholic community around the world to pray for our common home. The annual Day of Prayer is inspired by his landmark encyclical *Laudato Si'*, which calls on “every person living on this planet” to care for our shared earth.

Pope Francis calls us all to celebrate this opportune moment to “reaffirm [our] personal vocation to be stewards of creation, to thank God for the wonderful handiwork which he has entrusted to our care, and to implore his help for the protection of creation, as well as his pardon for the sins committed against the world in which we live.”

This World Day of Prayer also falls at the beginning of Creation Time, which runs until 4 October, the feast of St Francis of Assisi. This is an ecumenical season dedicated to prayer for the protection of Creation and the promotion of sustainable lifestyles

**God of all goodness,
you have fed us with these sacramental gifts.
“Bring healing to our lives,
that we may protect the world and not prey on it,
that we may sow beauty, not pollution and destruction.
Touch the hearts
of those who look only for gain
at the expense of the poor and the earth.
Teach us to discover the worth of each thing,
to be filled with awe and contemplation,
to recognize that we are profoundly united
with every creature
as we journey towards your infinite light.
We thank you for being with us each day.
Encourage us, we pray, in our struggle
for justice, love and peace.”
We ask this in the name of Jesus,
who lives and reigns with you in the unity of the Holy Spirit,
one God, forever and ever.**

Amen.
