## Thirty-Second Sunday in Ordinary Time

November is a time for remembering those who have gone ahead of us to their heavenly reward. Each of us have someone we cared about who is no longer with us and we all miss those who are no longer there to offer love and friendship.

Lord

You speak to us today about the gift of Wisdom. It is a precious gift; it strengthens and consoles us in those days when nothing else seems to touch us. When we lose someone we love, it seems like the end of everything; we feel that loss every day and nothing seems to help.

Through your gift of wisdom, we can begin to see sunlight even on the darkest day.

You have promised, that all who come to love you will share eternal life with you, and this is our consolation.

Teach us Lord to accept death as a parting not an ending. Give us the strength to grow from this experience into a new understanding of our mission to be gentle and compassionate to those who suffer the pain of loss.

Give us the grace of acceptance, the hope of that future meeting, and the deep, deep love of your sacred, blessed heart. *Amen*

Perhaps, the tragedy of the five bridesmaids whose lamps were without oil was not that they were unworthy to be bridesmaids but that they were distracted and failed to prepare for the Lord's coming. How often have we left something important until tomorrow and then suffered regret because of our inaction? Christ calls us to be always ready for we do not know the hour when He will call us to Himself. Stay awake! **David Frank**

### Prayer Resource - Lord's Day at Home

Based on the Sunday Scriptures, this resource is particularly aimed at those not able to follow a Mass on the internet. This week's Lord's Day at Home prayer sheet [can be found by clicking here](#)

**New Restrictions:** Following Wednesday's vote, in the House of Commons, the new restrictions are now confirmed and unfortunately public worship is now prohibited during this lockdown [see back page for the statement from the Bishops' Conference]

Thanks to the generosity and kindness of our stewards we will be opening our churches for private individual prayer only.

I cannot thank all our stewards enough for all the support they have given, and continue to give, during this uncertain year. Without their help we could not have opened our churches and, I am sure you will agree, that the past few months have run like clockwork as we ensured everyone gathered safely for Holy Mass.

We will have to see how everything develops but thank you once again.

Let us continue to pray for each other and all who are in need at this time of pandemic.

**Take care and keep safe. God bless, Fr Alf.**

### Remembrance Sunday

Due to the COVID-19 pandemic, and in light of the risks posed, the annual Remembrance Sunday March Past the Cenotaph and local

services will not take place this year. Despite the changes this year, the Royal British Legion are encouraging people across the nations to ensure Remembrance Sunday is still marked appropriately by taking part in remote and socially distanced Remembrance activity, whether that be watching the service on television or pausing for the Two Minute Silence in their home or on their doorsteps. A volunteer from Corpus Christi will lay our wreath at Dunscair War Memorial. Let us pray for all victims and others affected during times of conflict.

### November - Holy Souls

We now have envelopes and you are invited to place the names of your deceased relatives and friends and all for whom you wish to pray during the month of the Holy Souls (no donation required). Please return the envelope to either

church or post through the presbytery letterbox. If you are unable to make it to church at this time, you may email your names to [office@sbsj.org.uk](mailto:office@sbsj.org.uk) or ring on 301927. ## CATHOLIC BISHOPS' CONFERENCE OF ENGLAND AND WALES

**Statement from the President and the Vice-President of the Conference on the National Lockdown Wednesday 4th November 2020 Today, Parliament passed into law the Regulations governing many aspects of activity in the whole of England until 2nd December. These Regulations prohibit the gathering of people for communal worship in churches and other religious buildings**

Churches remain open and in use for activities other than communal worship, including personal prayer and support for those in need. Funeral Masses and funeral services may be held. Please refer to the Regulations (for places of worship see paragraph 18) and associated Guidance. Despite profound misgivings it is important that we, as responsible citizens, observe these Regulations, which have the force of law: 'Remind them to be obedient to the officials in authority; to be ready to do good at every opportunity' (Titus 3:1). We do this in solidarity with so many others on whom are being imposed restrictions which impact severely on their lives and livelihoods. It is also important to recognise that these Regulations are not an attack on religious belief. However, they do demonstrate a fundamental lack of understanding of the essential contribution made by faith communities to the well-being, resilience and health of our society. At this difficult moment, we ask that, as a Catholic community, we make full use of our churches as places of individual prayer and sources of solace and help. We must sustain each other in our patterns of prayer, joining a national shared moment of prayer each day at 6pm, and observing the Vigil of Christ the King (21st November) as a day of prayer for the ending of this pandemic. And we encourage you all in your practical service and support of each other and those around you in need. This pathway of prayer and service is the royal road we are to take as a gracious witness in our society today.

Cardinal Vincent Nichols  
Archbishop

Malcolm McMahon OP President  
Vice-President
