**The Holy Family of Jesus, Mary & Joseph**

As an example for us to follow, the Holy Family can seem a little too perfect: when we consider the more “dramatic” events of the Christmas and Easter story, it can seem so far removed from us. And yet, as today’s Gospel reminds us, there were also the so-called “hidden years” - the many years of family life in Nazareth, spent in ordinary things. During that time, we hear how Jesus grew and matured, and in the glimpse of that family life we see our example. Our celebration of this feast announces that there is a lasting value in the ideals of family life, and the relationship between husband, wife, parents and children. Whatever the changing details of each age, honour, understanding and love always remain the recipe for the perfect, and holy, human family. It is love that we put on over all the other clothes of changing cultures and places, to guarantee the life of the family in imitation of the Holy Family of Jesus, Mary and Joseph.

## 3 January 2021

### The Second Week of Christmas

In the East, this Season of Christmas is called the “Time of Manifestation”, or Showing. Today is the ‘Feast of the Manifestation’, or the Showing of the Saviour to the whole world, to all nations. In the wise men, who travelled from the East, we see all the nations other than the people of Israel being welcomed at the New Temple of the New Covenant - the new born child in the manger. A look at the Psalm response shows this: “All nations shall fall prostrate before you, O Lord.” The same is true of the key word in the second reading: “Revelation”. Remember that for the people of Israel this was to be their Messiah, come to restore their fortunes. By this feast, we proclaim God’s plan was to extend his salvation to men and women of every nation, of every time and every place - including us. In many ways this is our Christmas Feast, when we celebrate the Good News of the Saviour’s birth revealed at last to us

### A Message From Fr Alf

I hope everyone is well and I wish you all a very Happy and Peaceful Christmas season and a better (should not be difficult) 2021. I did not think my first year as Parish Priest would be in such trying and unusual circumstances but let's pray that 2021 will bring a return to normality. (They certainly did not prepare us for a pandemic in seminary- maybe they will add it to the syllabus!). I'm happy to hear some parishioners have already begun their course of anti- Covid inoculations.

Next year should be a great year of celebrations for our parish as St John's celebrates 60 years and St Brendan's 50 years respectively- let's hope we can truly come together as a parish and celebrate these milestones, other than on zoom.

That reminds me that I have not yet been inducted by the Dean - an induction can take place during a mass or privately with the local Dean, I am thinking of the latter. What is an induction? The ceremony of Induction is an occasion when a new Parish Priest is formally presented to the Parish in a liturgical context. The ceremony is so arranged to remind priest and people of their responsibility together before God to serve Christ in His Church. and by their holiness and the example of their lives, individually and as a local community, to promote the mission of the Lord.

I cannot thank enough the kindness of those parishioners who have assisted and volunteered to act as stewards in this difficult year; without their generosity we could not have continued to function as much as we have.

Sadly, there have been many funerals this year, I know this can be such a challenging time for so many people but please be assured that you are in our prayers. Please keep safe, enjoy and God bless you all

*Fr Alf*
